Your Excellency,

I wish to express my sincere gratitude for the kind invitation to attend the ***First Leaders' Meeting of the Global Alliance Against Hunger and Poverty***, to be held on 3 November 2025 in Doha, in conjunction with the ***Second World Summit for Social Development***.

I warmly commend the State of Qatar, the Government of Brazil, the United Nations, and all partners of the Global Alliance for their leadership in convening this important high-level meeting. The objectives of the Alliance — fighting hunger and poverty, strengthening food security and nutrition, and advancing inclusive social development — are of the utmost relevance to Timor-Leste and to the international community as a whole.

Regrettably, due to prior commitments that cannot be rescheduled, I will be unable to personally attend this important gathering. Nevertheless, I wish to reaffirm Timor-Leste's full solidarity with the Global Alliance and its vision, and to assure you that Timor-Leste remains deeply committed to advancing our common goals of eradicating hunger, reducing poverty, and promoting sustainable development.

First Leaders' Meeting of the Global Alliance Against Hunger and Poverty

Doha, November 3, 2025

Concept Note – Draft August 7

Background

The Global Alliance Against Hunger and Poverty was launched in November 2024, at the G20 Summit in Rio. While originated by the G20, the Global Alliance is open to every country through the submission of a Statement of Commitment. It currently has nearly 200 members, including over 100 member countries (plus the African Union and European Union).

The Global Alliance's Governance Framework calls for a regular Summit Against Hunger and Poverty to be held at Head of State and Government level, at the sides of an existing UN conference or G20 Summit. The Summit should "review global progress towards the Alliance's objectives, showcases the Alliance's accomplishments during the past year(s), issues high-level guidance for the Alliance's members and their commitments across the three Pillars, and provide an opportunity for further commitments and actions".

The State of Qatar will host the World Social Summit, under the title "Second World Summit for Social Development" from 4 to 6 November 2025 in Doha (WSSD). The Summit aims to address the gaps and recommit the Copenhagen Declaration on Social Development and Programme of Action, issued at the World Summit for Social Development in 1995. During the Doha Forum in December 2024, an agreement in principle was reached between the governments of Brazil and Qatar to hold the first edition of the Summit Against Hunger and Poverty on November 3rd, in Doha, back-to-back with the Second World Summit for Social Development. This was seen as an opportunity to bring synergy to both conferences, incentivize high-level and head of State turnout, and further reinforce political momentum around the core topics of social development, food security and nutrition, and poverty reduction.

At its first meeting, the Board of Champions approved the proposal by Brazil to invite the State of Qatar to host the first Summit against Hunger and Poverty in Doha, November 3, 2025, and invited the Core Group and Support Mechanism to work with Qatar to further define modalities and procedures.

Following consultation with the relevant parties and as agreed with the President of the 79th United Nations General Assembly, given the modalities of the Second World Summit for Social Development, the Summit Against Hunger and Poverty will form part of the parallel programme of the Second World Summit for Social Development, in the form of a high-level special event entitled, "Leaders' Meeting of the Global Alliance Against Hunger and Poverty."

Dear Team at the Presidential Office,

As we already agreed during the meeting with Ambassador Lurdes and our colleague in cc, and as we approach the World Summit for Social Development (WSSD) <https://social.desa.un.org/world-summit-2025>, to be held in Doha from 3–6 November 2025, we would like to reconfirm the scheduled meeting with H.E. the President of the Republic on **September 4th**.

This meeting will be a key opportunity to brief His Excellency on the current state of preparations, align on national priorities, and ensure that Timor-Leste's leadership is fully represented at the Summit.

In addition, we would like to confirm receipt of the official invitation from the **Global Alliance** initiative for the **First Leaders' Meeting on November 3rd**.

The Global Alliance represents a flagship initiative that will gather high-level leaders to mobilise political and financial commitments for nutrition-sensitive social protection. We have reflected this as a **leading event** in the attached **Strategic Note for Doha**.

The updated Strategic Note outlines:

- The role of the President of Timor-Leste in positioning **nutrition-sensitive social protection** at the core of the Summit outcomes.
- Key opportunities for **bilateral and multilateral engagement**, including with France, Chile, Qatar, and other partners.
- The strategic importance of leveraging the **Global Alliance Leaders' Meeting** as a platform to amplify the voices of LDCs, SIDS, and g7+ countries in advancing SDGs 1 and 2.

We look forward to discussing these elements at the upcoming meeting and to your continued support in shaping Timor-Leste's contribution to this critical global process.

Thank you once again for your cooperation and leadership.

Best regards,

Anna Lisa

Desejo expressar o meu sincero apreço por este convite e pela atenção que me foi dispensada. Valorizo profundamente o contributo de longa data do *Australian Institute of International Affairs* para a promoção de um diálogo informado e para o aprofundamento da compreensão das relações internacionais, tanto na nossa região como a nível global.

Your Excellency,

I trust that this correspondence finds you in the best of health and wellbeing.

I am writing to extend an invitation to Your Excellency to visit Perth and address the Australian Institute of International Affairs (Western Australia) at a time convenient to your schedule, and hopefully sometime during the year.

I note that this year we are marking 50 years since the tumultuous events of 1975 which not only impacted in a very dramatic way Timor Leste's historical trajectory but they also had significant consequences for Australia and its relationships in the region. As a principal actor from that period to the present day, Your Excellency would have a very unique perspective which would highly appreciated by our audience. Your visit would also provide an opportunity to engage with Australian and Western Australian stakeholders on Timor Leste's current foreign policy priorities and the state of the bilateral relationship.

The Australian Institute of International Affairs for Western Australia was established in 1947 in Perth. The Institute is a prestigious institution, which started as an offshoot of the Royal Institute of International Affairs in London, Chatham House, with which it maintains close relations along with similar national institutions around the globe. The Australian Institute has its headquarters in Canberra, and has branches in seven Australian states and territories. The Institute publishes the Journal of International Affairs and occasional papers on specific contemporary topics. It is the only independent organisation in Western Australia devoted to the study of international affairs.

Thank you very much Your Excellency for your consideration of our invitation.

Yours sincerely,

Jakarta, 25 September 2025

H.E. Mr. José Ramos-Horta
President of the Democratic Republic of Timor Leste
Nobel Peace Laureate 1996
Dili, Timor Leste

Your Excellency,

I have the honor to convey my utmost appreciation for your continued support to the global movement of promoting peace and harmony.

In light with this, the Centre for Dialogue and Cooperation among Civilizations (CDCC) in cooperation with Cheng Ho Multi Culture Education Trust, an NGO based in Kuala Lumpur, Malaysia, will organize **the 9th World Peace Forum (WPF) on November 9-11, 2025, in Jakarta, Indonesia**. On behalf of the co-organizers, I would like to invite you to deliver a keynote speech in the Closing Ceremony: Nobel Laureates' Peace Message.

The WPF is a biennial forum for dialogues among world leaders, policy makers, religious leaders, scholars, peace builders, media people, women, youth, and businesses people. Under the theme from the 1st Forum in 2006 "One Humanity, One Destiny, One Responsibility", which has become the Forum's general theme, the consecutive Forums were discussing several themes following the dynamics of global social and political development.

The forthcoming 9th WPF will focus on the theme of "Considering Wasatiyyat and Tionghua for Global Collaboration". It derived from our consciousness that the world dominating ideologies today are undermining peace, justice, and coexistence, and leads to global disappointment. It is our responsibility to engage in the effort of promoting the alternatives paradigm to rediscover the value of peace, justice, and coexistence. The idea of Wasatiyyat Islam and Tionghua are considerable drive for the world civilizations and should be recognized.

Your Excellency, it is with great hope that you can be able to attend the 9th WPF. Your presence in the Forum will bring enlightenment to the world peace effort.

The favor of your kind reply is requested by 10 October 2025. Should you need more information, please do not hesitate to contact our secretariat at 9thwpf@gmail.com or by phone/WhatsApp at +628567031135. Thank you.

While waiting to your confirmation, please accept our highest esteem and consideration.

Sincerely,

Prof. Dr. M. Din Syamsuddin
